KYOTO MATCHA PROTOCOLS - FOUNDATION TRAINING COURSE

Price:

USD 12 (approx. JPY 1,800)

Access Period:

1 month from payment

Assessment Policy:

Unlimited attempts during the access period

Passing score: 70% or higher

Certification of Completion issued upon passing

Reference Materials:

Digital reference texts included

2. Learning Objective

This course trains learners to verify, judge, and handle matcha safely and clearly in professional food service settings. The focus is not memorization, but fast and accurate decision-making.

3. Target Audience

Beginner to Intermediate level

Matcha enthusiasts

Cafe owners and staff

Trainers and educators

4. Official Question Sources (Web Only)

Protocol A (Authenticity): food-kyoto.com/protocol-a/

Protocol B (Science): food-kyoto.com/protocol-b/

Protocol C (Sip Safety): food-kyoto.com/protocol-c/

Matcha System: food-kyoto.com/matchasystem/

5. Questions Per Attempt

Total questions per attempt: 40 questions

Protocol A: 10 questions

Protocol B: 10 questions

Protocol C: 10 questions

Matcha System: 10 questions

6. Exam Structure

Questions are drawn randomly from the prepared question sets.

Each section contributes 10 questions per attempt.

A new attempt should include many different questions from the previous attempt while allowing partial repetition.

7. Question Format

Single-choice quick mode only

3 answer options per question

One correct answer

8. Time Limit Policy

Time limit per question: 15 seconds

Designed to prevent reference lookup and encourage intuitive judgment

9. Access and Download Policy

Access to the test site is limited to 1 month after payment. Please download your certificate within that period as well.

10. Certification

Certification of Completion

Learners who pass may download the PDF certificate during the access period.
